AUTHORITY TO OPERATE

EXPIRES Oct 1, 2027

This Authority to Operate (ATO) serves as your liquor permit while we process your renewal application. This ATO allows you to sell, consume, manufacture, distribute, transport, or store alcoholic beverages consistent with the privileges authorized by the permit class(es) listed below, **unless** your permit is currently in Safekeeping or Closing status with the Division. After we process your application, we will supply you with your permit.

You **MUST** post this ATO in a visible location at your permit premises or keep it within the motor vehicle if you hold an "H" permit, consistent with Ohio Admin. Code 4301:1-1-21. Additionally, under Ohio Admin Code 4301:1-1-46(F), this ATO allows you to purchase alcoholic beverages at wholesale from A/B permit holders or your assigned agency store, if you have an applicable permit class that allows for the sale of spirits, for the permit location listed below.

This ATO does **NOT** supersede any previously imposed or future restrictions placed upon the permit holder's operating privileges. Moreover, the Division has the legal right to refuse to extend this ATO or refuse to issue the permit for cause. If you should have any questions concerning the status of your permit privileges, please consult your personal attorney or contact the Division at fileinquiry@com.ohio.gov.
